

ISR Pre-School and After School Care 2023/2024

The ISR Pre-School and After School Care Programme (ASC) offers child care services for students before and after the school day.

Pre-School Care

Pre-School Care is a child care service offered before school. Children can be dropped off at PSC/ASC room 107 in the main ISR building from 08:00 - 08:30 am.

After School Care

This programme offers different creative activities which may include activities that are linked to STEAM (science, technology, engineering, arts, and mathematics). Students may also take part in games, and be given homework support which can be facilitated in small groups.

This service will be available from 15:20 to 18:00 with flexible pick up arrangements until 06:00 pm. A nutritious snack will also be provided to all students.

When does it start?

The programme will start on Monday, 21 August 2023 and runs until June 21st, 2024.

Where is it held?

The ISR Pre-School and After School Care room is located in the main ISR building on the first floor in room 107. It provides a comfortable and cozy spot for the children. The school's outdoor spaces are also available for the children to use and explore with the After School Care Lead and ASC Assistants.

How do I register?

Families register for a complete school year to reserve their spaces. Registration is available through the enclosed form. Ad hoc bookings can be made by emailing asc@isr.ch at least 24 hours before the requested attendance. Registration will only be confirmed when you have received a confirmation email.

Can the After School Care Programme also be attended by non-ISR students?

Yes, but preference will be given to ISR students. Please contact Ms Peaches Lewis via email asc@isr.ch for further information.
