1. Purpose

Our policy and the related procedures aim to reassure families and others with an interest in the school that:

- any complaint will be dealt with in a fair, open and responsive way, with the aim of achieving a speedy and satisfactory resolution
- the school recognises that a willingness to listen to questions and criticism and to respond positively can lead to improvements in school practice and provision for pupils
- decisions taken to resolve complaints will take account of the best interests of all concerned. The decisions on how best to run the school are the responsibility of the school's staff and, ultimately, the Director.

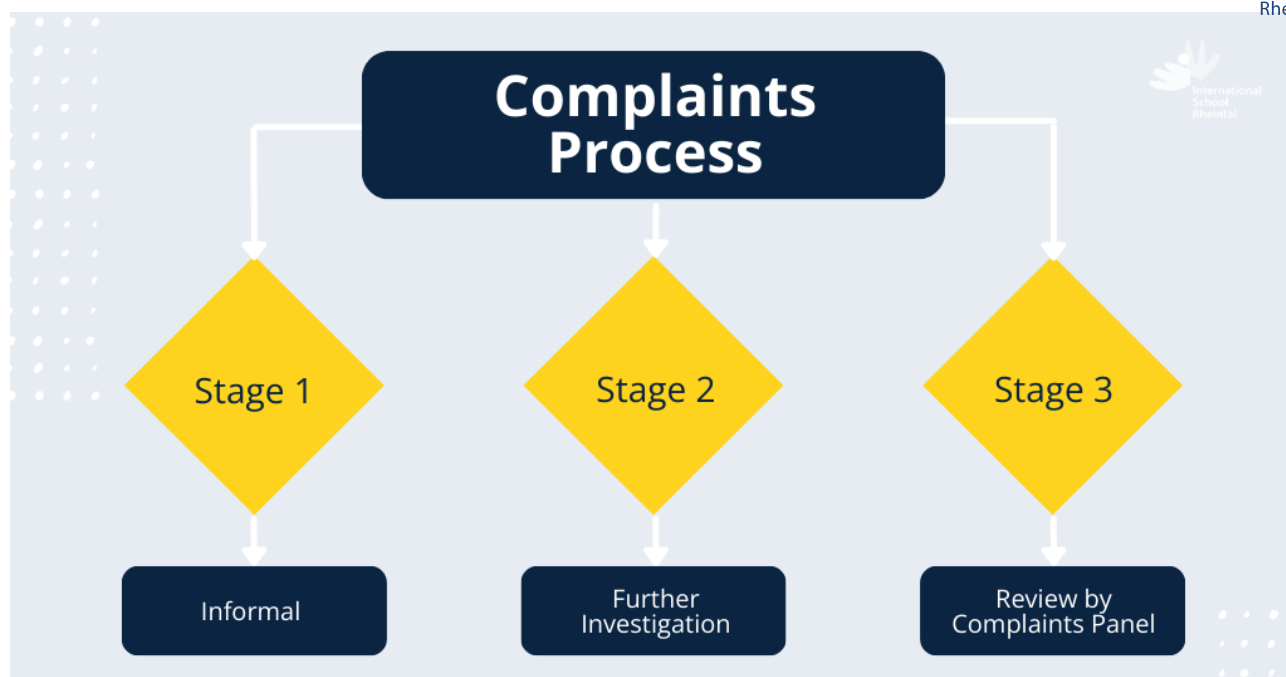

2. Scope: who is this policy for?

Complainants may be anyone with an interest in the work of the school (for example: parents; guardians; students; relatives; neighbours of the school). It is expected, however, that it will be mainly parents or guardians who will make use of the complaints procedure and this document is written with them in mind. The term 'parent' is therefore used throughout for readability, but the procedure also applies in relation to any other complainant.

Complaints may be made by telephone, e-mail, in-person or by letter. A complaint is defined as a clear statement of dissatisfaction about any specified aspect of the school's work. It is different to a "concern" as defined in the Child Protection Policy or a "whistleblowing report" as detailed in the Whistleblowing Policy.

3. Stages of the complaints procedure

There are three stages to the Complaints Procedure, one Informal Stage (Stage 1) and two subsequent Formal Stages (Stages 2 and 3).

The school's aim is to resolve complaints quickly and effectively with the most appropriate person in an informal manner at Stage 1.

We recognise, however, that parents may wish to refer a matter further. This may still be done in an informal manner at the Informal Stage. The Formal Stage, beginning with 'Stage 2 Further Investigation' provides a further structured way for parents to escalate if a parent feels the need.

There may be rare occasions when, despite all the stages of the procedure having been followed, a parent remains dissatisfied. If the parent seeks to re-open the same issue, the school reserves the right to inform him or her in writing that the procedure has been exhausted and the matter is closed.

The timescales of each stage are set out below. To comply with school requirements complaints must be completed within 28 days.

4. To whom should a complaint be addressed?

Unless of a particularly sensitive nature, complaints are best addressed to the person most closely connected with the matter. This usually means the Homeroom Teacher (in Primary School), the Subject Teacher or Homeroom Teacher (in Senior School) or Heads of School or by their direct line manager.

5. Stages of Complaint

Stage 1: Information stage of the complaints procedure

In the first instance, a parent may raise a concern directly with the most relevant school staff member informally. At this stage, it may be unclear whether the parent is making a complaint, seeking information or has misunderstood a situation. In any event, the school aims to resolve the concern at this point in a timely and effective way.

If the concern is not resolved to the parent's satisfaction, however, the opportunity will be provided to discuss the matter with an appropriate more senior member of staff. The member of staff will discuss the issue with the parent and those involved in school, with the aim of resolving the complaint as soon as possible.

In the case of a complaint against a Head of School or member of the extended leadership team, this stage will always be heard directly by the Director and CEO. Formal complaints against the Director should be directed to the ISR Chair of the Board.

The parent will be informed of the outcome of the investigation and may be informed of what action, if any, the school proposes to take. Details of internal disciplinary action, or action taken with another child or family, if any, may not be provided to the complainant.

If this informal process has been exhausted and, in the opinion of the parent, no satisfactory solution has been found, the parent will be asked by the member of staff dealing with the complaint at the time whether they wish the complaint to be considered formally at Stage 2 of this procedure.

If so, the parent will be invited to put the complaint in writing to the Head of School using the School Complaint Form attached to this policy as Appendix 1. The form should be sent to the Head of School or, in the case of a complaint initially heard by or directed against the Head of School, to the Director, within five school days. If a Formal School Complaint Form is not submitted within five school days, the school may assume that the complaint has been withdrawn.

Records of informal complaints

Written records of all correspondence, conversations and meetings with parents to resolve informal complaints that have been referred to a Head of School are kept. Each Head of School (Primary; Senior) or line manager keeps a digital copy of Informal Complaints referred to them. This record is discussed with the Director at regular 1:1 meetings in order to monitor possible persistent or pervasive issues, or persistent complaints.

Stage 2: Referral for further investigation

Where another staff member has addressed the complaint at the Informal Stage, Stage 2 is referral to the Head of School as a written complaint or a request for a meeting. Where the complaint has been addressed by the Head of School at the Informal Stage, the next possible stage, Stage 2, is referred to the Director, which remains at Stage 2.

The Director or Head of School will acknowledge the written complaint or request for a meeting within two school days of receipt and provide an opportunity to meet to discuss the complaint. The Director or Head of School will investigate the complaint and a written response will normally be made within five school days of receipt of the complaint. If this is not possible, a letter will be sent explaining the reason for the delay and providing a revised response date.

The written response will include reasons for the conclusions reached by the Director or Head of School and what action, if any, the school proposes to take to resolve the matter. Details of internal disciplinary action, or action taken with another child or family, if any, may not be provided to the complainant.

If the parent remains dissatisfied, they will be advised that, in order to progress the complaint further, they must notify the Director in writing within five school days. The Director will then ensure that the parent is offered the opportunity of taking the complaint to a Complaints Panel at Stage 3 or a further attempt at resolution by the Director at Stage 2.

Records of formal complaints

All complaints that reach Stage 2 are recorded in the Complaints Log which is kept by the Director. Parents are entitled to request to see this Complaints Policy and, for transparency, it is also published on the ISR intranet, MyISR and the ISR website. The ISR Chair of the Board may also view the Complaints Log and the wider Board will review the nature of complaints as required, and as part of its oversight role.

Stage 3: Review by a Complaints Panel

It is only on extremely rare occasions that complaints will reach this level. When the need arises, however, a Complaints Panel will consider complaints at this stage.

A written acknowledgement of the complaint and the request for it to be heard at Stage 3 will be sent to the parent by the Director within two school days. The letter will inform the parent that the complaint will be heard by a Complaints Panel within ten school days of sending the acknowledgment. It will also inform the parent of the right to submit any further documents other than the complaint form and that these must be made available to the Complaints Panel within three school days of receipt of the acknowledgment letter. The complainant does not have the right to call witnesses to the meeting, although they may be accompanied by one companion of their choice.

The Director, or Chair of the Board in the case of a complaint against the Director, will convene a Complaints Panel meeting, having consulted with all parties on convenient times. The date, time and venue for the meeting will then be confirmed no less than five school days in advance. The names of all parties to attend the meeting and relevant documents to be referred to at the meeting will also be provided by the Chair of the Complaints Panel to the parent, the Director and/or Head of School, and each panel member. This will be provided as soon as possible and, in any event, at least two school days prior to the meeting. Some items, such as video footage, will not be provided to the parent (in line with data protection measures).

The meeting will be held following the procedures for hearing a complaint detailed in Appendix 3. A written decision will be sent to the parent and the Director and/or Head of School by the Chair of the Complaints Panel within three school days of the meeting. The outcome will also be added to the Complaints Log. The letter will explain that the decision of the Complaints Panel is final and that there is no subsequent appeal process

6. IB Complaints Policy

This section specifies IB parent or legal guardian and student complaints procedures. The written procedures for how we will deal with complaints are outlined in this document. Decisions pertaining to the IB Programme, or “IB programme decisions” refer specifically to decisions made by ISR staff or its leadership teams that impact a student’s completion of, or engagement with, IB programmes and/or courses, as well as decisions that impact their preparation for further education. These include, but are not limited to:

- Withdrawal from IB Diploma due to misconduct relating to Academic Integrity (Procedures relating to Academic Integrity are addressed in the Academic Integrity Policy for IB Diploma Students. •
- Accusations of students and the investigation of misconduct relating to Academic Integrity (Procedures relating to Academic Integrity are addressed in the Academic Integrity Policy for IB Diploma Students.
- Submission of internally assessed and externally assessed work to eCoursework (if a students' internally assessed work is received after a published internal school submission date, the last piece of work received by the internal school submission date can be used for submission)
- Discrepancy between teacher predicted and final moderated grades for EE, TOK and other Internally Assessed work
- Discrepancy between IB Predicted Grades for University applications and final IB results grades, resulting in student IB grades or point scores not meeting requirements for further education offers
- The non-enrolment of students as IB Diploma/course/retake candidates if they fail to make internal application deadlines
- Late fees incurred for retakes as a result of failure to meet internal application deadline dates
- The selection of courses/subjects available at ISR when students choose their IB subjects and course set
- Decisions relating to a candidate's subject pathway and placement in subjects to comprise their course set
- Requirements for students to meet attendance and academic achievement criteria and therefore be allowed to continue with the full IB Diploma
- Decisions relating to level of support provided for internally assessed work (written feedback is only provided on one draft of internally assessed work before students are expected to submit a final draft, students do not automatically get feedback on late submission of draft work).
- Declaring a student to not be in good standing with the school and therefore the non enrolment of the student as an IB Diploma/retake candidate
- Withholding IB candidate results due to non-payment of school fees
- Withholding Diploma Certificates due to non-payment of school fees
- Standard of teaching, classroom facilities and examination facilities
- Pastoral concerns (procedures relating to any pastoral matters are addressed in the ISR Code of Conduct Policy).

For all of the above complaints, the written procedures to be followed are detailed in this document above. The IB Coordinator is involved in the investigation of any student or parental complaints relating to the IB Programme.

In the event that a student or parent wishes to appeal a grade/grades awarded by the IB after the issue of results, the appeals process outlined in "[General Regulations: Diploma Programme](#)".
